Report Date February 16, 2010	Description Information reference Fraud	<input checked="" type="checkbox"/> Narrative	<input type="checkbox"/> Supplement
-----------------------------------------	---------------------------------------------------	-----------------------------------------------	-------------------------------------

On 02-16-10 I responded to 5575 S.W Ranchito Street reference information on a vehicle. I met with Nick Apostol who advised in November 11, 2009 he bought a red 1972 Chevrolet corvette from Richard Lampe through ebay for \$13900.00. Apostol advised that the title for the vehicle states a 1972 Chevrolet he believes that the car is 1969 not 1972 because of the body style. Apostol thinks that the vin number was possibly altered, I could not see any signs of the vin number being altered. Apostol advised he contacted ebay and was told he needed a report from the Sheriffs Office. I was unable to contact Lampe. Apostol had no further information at this time.
